# CLUB OFFICE APPLICATION FORM 2025-2026

www.yusc.ca

York University Student Centre (YUSC) has a limited number of office spaces available for student clubs and organizations. There are more student clubs and organizations than available office spaces. Since office space is in high demand, it is being allocated annually. All clubs/organizations interested in obtaining an office must fill out an Office Application package. Clubs/organizations that currently have an office in the YUSC buildings – with the exception of student services – must reapply each year.

#### Applications are evaluated upon the following criteria:

- Ratification by York Federation of Students (YFS) and/or the office of Student Community & Leadership Development (SC&LD) for the 2025 - 2026 year
- Club activity adherence to the YUSC, YFS, SC&LD, other York University policies, and applicable civil regulations
- Services provided to the York University community and external community
- Regular use of office (if applicable)
- · Accessibility needs for members with disabilities
- Size of membership
- Regular use of building services
- · Documentation of events
- Other such criteria as determined by YUSC

Allocations are determined by the Allocation Committee. To ensure that applications are reviewed in an objective and fair manner, they are evaluated primarily on a matrix system which weighs events equally. Other qualitative information is used as a secondary consideration only.

## Timeline Important Information

- Club Office Application Forms become available as of Monday, March 3, 2025, at 4:00 pm.
- Completed application forms are due: Monday, May 5,
   2025 at 11:59 pm.
  - Completed YUSC Club Office Allocation package for 2025-2026 must be submitted by email as an attachment to reception@yusc.ca Please make sure application is filled out completely and all documentations for the application are attached in one email. Any documents sent after will not be accepted. In the subject line please write "COA 2025-2026 - (Club Name)"
  - An email confirmation will be sent out within two (2)
    business days following the submission of a completed
    application. Should you not receive this confirmation,
    please contact York University Student Centre Reception
    by sending an e-mail to reception@yusc.ca.
- All club offices allocated for 2025-2026 academic year are to be vacated by Thursday, April 30, 2026 by 10:30 AM. Office keys and mail box keys are to be returned by Thursday, April 30, 2026 by 10:30 AM to YUSC Office FSC Room 335
- Please note: Clubs are responsible for storage of their club's items. Storage spaces will not be provided by YUSC.

- Club office results will be finalised in June 2025. Student clubs will receive emails about move in procedures in late January.
- Late submissions will not be accepted.
- Applications must follow the format and categories as outlined.
- Student groups/organizations are required to respond to YUSC in a timely manner during the application process regarding any additional information that YUSC may request to provide to the Allocation Committee. Applicants will have two
   (2) business days to provide YUSC with requested information. Information received after that point may be not be considered.
- All decisions made by the Allocation Committee are final.
   There is no appeal process (including building location and Room # for Club Allocation).
- Student clubs/organizations that do not receive office space will automatically be placed on the waiting list.
- Due to the limited number of club offices on campus, if you already have space elsewhere, please do not apply. If you are accepted for office space at the student centre and another location, you must give up one of the offices.
- Make sure to include documentation for all meetings and events.

## General Guidelines for Filling Out Office Application Form

Please read the following information carefully before filling out the application form.

- Please fill out all information on the application clearly.
- If you require extra space in any given category please attach additional sheets as necessary. Label their category and number them.
- All information provided by your club/organization will be evaluated thoroughly and verified through the YUSC, YFS, SC&LD and by calling the contact listed for each event/activity.
- Make sure to include documentation for all events and meetings and organize all supporting documentation according to the corresponding categories below and by date

## **Category Descriptions**

## Category A: Organizational Meetings

All general, executive and/or subcommittee meetings your club held between June 1, 2024 and April 30, 2025. Your club must attach all meeting minutes for any general, subcommittee, and/or executive meetings listed on the application form. The booking contact in this section is the person who filled out or made the room booking request for this meeting. The minutes should include crucial information such as: time, date, attendees and agenda.

#### Category B: Recurring or Frequent Events

All events that took place on a frequent basis, occurring more than twice per term or more than four times between **June 1, 2024 and April 30, 2025**. List each event separately. **Events in this category may include weekly prayer meetings, game nights, seminars, workshops, bible studies, movie nights, tutorials, etc.** For weekly prayer meetings or bible studies, you will be given one full point for the week.

#### Category C: One-time or Infrequent Events

Events that took place once or twice per term or less than four times between June 1, 2024 and April 30, 2025. Events in this category may include dances, semi-formals, culture shows, group outings, guest speakers, religious or cultural celebrations, etc. These events are divided between Tier 1: small/medium (e.g. Less than 150 participants) and Tier 2: large events (e.g. More than 150 participants). You must provide documentation for each event in order to get full points.

#### Category D: Tabling

All the dates and locations of tabling activities on the York University campus between **June 1, 2024 and April 30, 2025**. Include a description of the nature of your tabling. For example: membership drive, club event promotion, bake sale, etc. Multiple tabling dated during the same week or month will not be given any advantage over groups who table less frequently.

#### Category E: Other Activities

Other types of activities that your club organized or took part in that did not fall under any of the above categories. Please provide a description of the activity including information on date and location. Activities or events off-campus will not be given full points. We encourage clubs to host events on campus.

Important: For category B, C, D and E your group is required to submit supporting document. This can be in the form of event posters, booking confirmations, forms and event or meeting notices in order to confirm that the event, tabling and/or meeting has taken place. Please make sure to label for which event each documentation is for. Examples of documentation for each category can be seen on pages 4 to 7.

## **Documentation Examples**

Please make sure all documentation is labelled for each event or meeting, and organized with the corresponding category. Avoid gathering all documentation and attaching them at the end of your application. Documentation that is not labelled may not be counted if we cannot clearly identify which event it belongs to. The next few pages outlines what YUSC expects documentation to look like.

#### Category A: Organizational Meeting

Organization meeting documentation examples (i.e. meeting minutes, posters for general member virtual events, etc.)

#### Category B: Recurring or Frequent Events
